### SOUND OF ABUNDANCE OF RAIN

1 Kings 18: 41-42 (NLT): "Then Elijah said to Ahab, 'Go get something to eat and drink, for I hear a mighty rainstorm coming!' [42] So Ahab went to eat and drink. But Elijah climbed to the top of Mount Carmel and bowed low to the ground and prayed with his face between his knees."

**HAPPY NEW YEAR** people of God! The year 2024 will usher in abundant life blessings in a variety of ways to the World. If you will believe the testimony of Elijah in the above passage, Ahab did. He prepared his chariot and rain did not stop him. This prophecy is saying many things to many people:

- Life will change to favor you
- Broken relationships will be restored
- An exceptional year for you and your family
- God's promises will come true
- Start celebrating what God is about to do – a time of refreshing is coming in 2024

# Testimonies

**"...By the grace of God, I passed every single class."**

*(Psalm 125:1-3) I thank God for seeing me through the first semester of my master's program. By the grace of God, I passed every single class. My testimony is wrapped in the song "Bola" by Sunmisola Agbebi. I give God all the glory and honor for seeing me through my first semester.*

– Dewunmi Adesina

**"...I called on Jehovah Jireh and he answered me..."**

*I just thank God for everything but particularly being a provider. I called on Jehovah Jireh and he answered me and even exceeded my expectations whilst I was abroad and during my fall semester in school. I thank God for the confidence in His Word in Matthew 6:25-28 that gave me the assurance that he will never leave me alone and I should not worry. Glory to Jesus.*

## SUPPORT THE CAUSE

### PROJECT UPDATE:

To God be the glory, great things He has done. It is my pleasure to testify to the faithfulness of God. In several prophecies, the Lord reassured us that the building will be completed. I'm glad to report that **the completion is within our sight**, all we need to do is not cease in prayer but continue to pray to God that nothing will halt, hinder or delay the completion. Let me again remind **everyone who has pledged to give to please redeem their pledges and those who are yet to pledge to please do so** because the church is still in need of your support.

**Thank you for giving!**
