## PASTOR'S CORNER

**Welcome to The Month of  
May!**

### **EXPERIENCING GOD'S PRESENCE**

To experience the presence of God means "to dwell, stay permanently, abide, rest upon, fear or trust God in all circumstances." Believers always live in His presence because He notes all our deeds, according to Malachi 3: 16 which says, "Then those who feared the LORD spoke to one another, and the LORD listened and heard them. So, a book of remembrance was written before Him for those who fear the LORD and who meditate on His name." John 4: 24 says, "God is Spirit, and those who worship Him must worship in spirit and truth."

By this medium, God in His love is extending invitation into fuller, more intense, more certain, more joyful, more satisfying, and more transforming experience of the reality of God, according to James 4: 8 which says, "Draw near to God, and He will draw near to you."

MEDITATION: Psalm 114:7-8.

REMAIN BLESSED

## SUPERNATURAL LIVING

Living supernaturally means absolute submission to God's will and the Holy Spirit's instructions because of the unfailing power of Jesus Christ's blood which redeemed, and freed us from the bonds of slavery. Even the strongest grow weary occasionally, yet God's might and power never waver in our lifetimes (Isaiah 40:28-31). With the baptism of the Holy Spirit and gifts to accomplish exploits by reducing the population of the realms of darkness and augmenting the kingdom of light with new souls, He bestows upon us the power and anointing for supernatural living (Acts 10:34-45). These are not our doing, and no one should take pride in them; rather, they are the result of His grace for living supernaturally among us. Christ is the source of our strength as Christians; having conquered sin and death through His death, we should not continue to live in sin under the illusion that His grace would keep us safe (Titus 2:11-15). All of these things combined with the power of the Holy Spirit to instill in us the wisdom of God that will enable us to live supernatural lives via a continual relationship with the Lord and obedience to His word. The incorrect wants, counsel, and pressure we encounter in our society, should be carefully considered as they have the potential to undermine our Christian way of life. (James 3:13-18). May the Lord give us the strength for supernatural living in Jesus Christ's name.

# Testimonies

## "...I am rest assured that (with God), there are infinite answers"

*I give glory to God for bringing me this far, seeing me through, and pouring the spirit of excellence upon me. It is not easy to finish a thesis. Whenever I bring the word back to God, I am rest assured that there are infinite answers. I thank God for his power upon me during my four years of undergrad and where he is going to take me.*

– Mfon Akpan

## "...I bless God for his protection"

*I want to bless God because He has been wonderful. Around this time last year, I probably wouldn't be alive. I gave a testimony last year, and I want to bless God for his protection and to acknowledge the one-year anniversary.*

– Tola Oshodi

## "...I give God the glory for preserving the life of my son"

*This past week, I received a call from my son school that he hit his head. He jumped and hit his head and it was probing out. I give God the glory because the accident could've been much worse but I give God the glory for preserving the life of my son.*

## SUPPORT THE CAUSE

Grace, peace, and mercy to you from God, our Father and Jesus Christ, our Lord. Happy New Year to you and your loved ones. We Give God the Glory for the successful completion of the building project because at this moment, all "I's" have been dotted and all "T's" have been crossed. We are now in the process of inspection: all the work done will be inspected and certified for use by the engineers and the department of building officials. Once the building is certified for use, we will resume our services therein. We

ask that everyone keeps us in your prayers for successful and favorable inspection.

Also, be reminded that the church is still in need of funds, the construction is finished but the payments continue. Thank you very much for your financial, moral, and spiritual support.

Special thanks to all the members of the building committee for a tremendous job, these include A/P Adesina, Pres. Elder Sanmi Oke, Deacon Bolorunduro, Deacon Olu-Ojo, Deaconess Ogunleye, Deaconess Labinjo, and Bro. Salami.

Thank you, God bless you.
